

OAKLAND FEATHER RIVER CAMP

2020 Youth Camp Campership Application Instructions

Thank you for your interest in having your child join us at Oakland Feather River Camp this summer! Please see below for detailed instructions on how to apply for a Youth Camp Scholarship ("Campership").

1. Fill out the attached Youth Camp Campership Application. Please make sure to note how much you can contribute toward the total cost.
2. Along with your Campership Application, please send documentation of your financial circumstances (such as a copy of IRS forms or 2 recent paystubs). Please make sure to conceal confidential/sensitive information (such as social security numbers).
3. Please also include a 1-page letter explaining:
 - a. your need for a campership
 - b. why you want to send your camper to OFRC Youth Camp this summer
 - c. your prior experience with Oakland Feather River Camp if any (specifically what impact did the experience have on your child or family)
 - d. any other information that may be relevant to your application
4. After receipt of your child's application, financial documentation and request letter, OFRC will confirm receipt with you. All information will be held in confidence with office staff and will not be shared.
5. Office staff will review your materials and determine the level of financial aid granted to your family, if any. Camperships are determined on need and typically do not exceed 75% off the total cost.
6. Office staff will contact you about your campership request and the level of funds granted. We will do our best to respond to you promptly (within two weeks) after your request, however the availability of funds sometimes prevents us from doing so.
7. Upon receipt of news that your child has received a campership, a deposit of 25% of your revised total camp fees will be due to reserve your child's spot at Youth Camp.
8. The remaining balance is due by May 1. If you anticipate having a problem with this payment deadline, please contact the camp office upon receiving the campership award.
9. Campership funds are made possible by generous contributions from our campers, donors, local businesses and supporters. Campership recipients will be asked to write a short anonymous thank you letter or card to donors who made financial contributions to make the campership possible.
